Mystery In The Making Eli Young Band

Intro: G Am C G

Verse 1:

G A

The night time air's like a baptism

And the way $\hat{\text{la}} \in \mathbb{T}_m$ feeling right now is strange

G Am

I think it's time to make some changes

C

â€~Cause right now my outlook has changed

I feel like a dance that $\hat{a} \in \mathbb{N}$ s lost it $\hat{a} \in \mathbb{N}$ s rhythm A compass that can $\hat{a} \in \mathbb{N}$ find it $\hat{a} \in \mathbb{N}$ s way But there $\hat{a} \in \mathbb{N}$ a headlight shinning clearly Down a gravel road just off the interstate

Chorus:

C

Take away the mundane

D

Calling on a new campaign

Em D

Starting over now has got a real good ring

С

And under this circumstance

D

It's giving me a second chance

čm D

Gonna trade a little peace for the suspense

C G/B Am

I'll let it fall wherever it'll take me

G

I love a mystery in the making

Verse 2:

If I knew how long I'd be living
I'd rearrange a few habits of mine
But tonight there's a full moon above me
A set of rules that tonight I can't abide

Chorus

Bridge:

C G D

Oh I don't need a revelation

Oh I don't even need a sign

Chorus

End: G Am C G
