

Skeletons

Eli Young Band

I know this isn't perfect, but it sounds pretty close to me.
On the intro, you can hammer on from 2 to 3 on the D chord during the Ams.
Just listen to the song to get the timing.

Standard Tuning, CAPO ON 4

Intro: **Am Am Em** x4

Am **C**
Cross my arm is that old ink stain
Em **Em7**
God I wish I could erase that name
Am **C** **Em** **Em7**
Reminds me that I'm the one to blame
Am **C**
I used to think that rules were made for breakin'
Em **Em7**
Now I question every road I've taken
Am **C**
And I regret every heart I've forsaken
Em **Em7**
Here's my confession

Am
The mistakes I've made
C
Are comin' back to haunt me
Am
Like a ghost from a grave
C
Always there to taunt me
Am
You say its OK
C
You say you still want me
Em **Em7**
But you don't know where I've been
Em **Em7**
I'm no stranger to my sins
Am Am Em x2
I've got skeletons

I've got skeletons

Am **C**
You tell me how a man can be forgiven
Em **Em7**
Start clean on the life he's livin'

Iâ€™m no stranger to my sins

Am Am Em x4

Iâ€™ve got skeletons

Iâ€™ve got skeletons
