

When It Rains
Eli Young Band

Am **C** **G** **Em**
Give me skies of black and blue, the way you make me feel
Am **C** **G** **Em**
Give me skies of green and red, cold winds that make it real
Am **C** **G** **Em**
Storms are brewing deep within of hurt and loss and pride
Am **C** **G** **Em**
Its good to see the world in pain when I take a walk outside

CHORUS

Am **C** **G** **D**
When it rains, I don t mind being loney I cry right along with the sky
Am **C** **G** **D**
When it rains, I don t pretend to be happy, I don t even have to try
Am **C**
When it rains, some people get down,
G **D**
They re sporting a frown, so I fit right in
Am **C** **G** **Em**
Yeah, the sun might brighten your day but if I had my way, I d take the rain

Chords(Same as Prev. Verse)

I don t care about politics or the hypocrites on my TV
I m not mad at the girl who left because she couldn t be with me
So make up your theories about the scandals and the lies
Start out depressed then everything comes as a pleasant suprise
