When It Rains Eli Young Band

Αm G Give me skies of black and blue, the way you make me feel Give me skies of green and red, cold winds that make it real Storms are brewing deep within of hurt and loss and pride Am G Its good to see the world in pain when I take a walk outside

CHORUS Am G D When it rains, I don t mind being loney I cry right along with the sky G С When it rains, I don t pretend to be happy, I don t even have to try When it rains, some people get down, They re sporting a frown, so I fit right in Em Yeah, the sun might brighten your day but if I had my way, I d take the rain

I don t care about politics or the hypocrites on my TV I m not mad at the girl who left because she couldn t be with me So make up your theories about the scandals and the lies Start out depressed then everything comes as a pleasant suprise

CHORUS x2
