G D Am C
When you come down my way
G D Am C
here I hope you stay
G D Em C
Maybe for a while, not just a day, yeah
G D C
When you come down my way

I haven't seen you in so long, there's a lot to get caught up on
Pull up a chair, pour a drink that's strong
I haven't seen you in so long

Chorus:

G D Em C
When you come down my way
G D Am C
leave behind all those rainy days
G D Em C C/B Am
You know I love to see your face every chance I get

Verse 2:

I hear you're doing fine you went to live your life and I lived mine
You've got friends if life gets unkind
I hear you're doing fine

When you come down my way leave behind all those rainy days
You know I love to see your face every chance I get

Solo

You can always count on me if there's anything you need
Someone to talk to or just a soul to feed
But, you can always count on me

Chorus

End: (Some funky **C** or **Eb**) **G**
