INTRO: E E(or E4) F#- G#-7 (x4)

E F#- G#-7 A E F#- G#-7
Hard times flowing and my eyes couldn't see stars shining
E4 E F#- G#-7 A B
My heart couldn't feel the beauty of the rising sun
E F#- G#-7 A E F#- G#-7
And I'm lost like a bottle that floats in the sea for ever
E4 E F#- G#-7 A B
Will somebody pick up my hope? Will somebody try?
F#- G#- A
Will I realize?

Chorus:

E B
cause it's broken broken something got broken like stolen
G#-7
Stolen, like if it was stolen and hurting, hurting
A B E E(or E4) F#- G#-7
I have been hurting and now only time will tell... Time will heal...

E E(4) F#- G#-7

E F#- G#-7 A E F#- G#-7
Just pieces of truth that I chose to keep
E4 E F#- G#-7 A B
No matter if now they are gone, No matter if I am alone
E F#- G#-7 A E F#- G#-7
Still I can get back on my feet and walk on As I know there was
E4 E F#- G#-7 A B
something to learn I know there will always be more worth
F#- G#- A
moving on for

Chorus:

E B
cause it's broken broken something got broken like stolen
G#-7
Stolen, like if it was stolen and hurting, hurting
A B
I have been hurting and now only time will tell
E B
cause it's broken broken something got broken like stolen
G#-7
Stolen, like if it was stolen and hurting, hurting
A B
I have been hurting and now only time will tell

G#- **A** **F#-** **B**
I d love to be one of those colourful early summer days
G#-
When everybody is happy that you came
A **F#-** **B**
Everybody smiles back at you as soon as your eyes cross their eyes
F#- **B**
But something has to happen first
F#- **B**
I know winter has to come before it blossoms

Chorus:

E **B**
So it s broken broken something got broken like stolen
G#-7
Stolen, like if it was stolen and hurting, hurting
A **B**
I have been hurting and now only time will tell
E **B**

G#-7
Stolen, like if it was stolen and hurting, hurting
A **B** **E E(or E4) F#- G#**
