Elisa
New Kiss from the album Pipes and flowers

INTRO **F#** **G#**

F# **G#**
I don t wanna hear another plastic love song
F# **G#**
And I don t need no more triviality
Bbm **G#**
Cause I know there is more
F#
That love could be

G#
F#
 But you know that s not to say that I know just what I want out of life
G#
 It doesn t mean that I feel hopeful everyday I m alive
Bbm
G#
F#
 But when you smiled at me I felt many things
 Like lust and fear and dreams

-Bridge-

C#

And though it could hurt I ve gotta try it anyway

F#

When the door is flung wide open you don t stay inside your room all day

Bbm

You go where there s a chance of losing the awful empty lie

F# **G#**

That it s better not to need anyone than to take the crazy uncertain ride

-Chorus-

C# B

And it s a new kiss and I m flying out there

F# G#

A great kiss and I m crying in the streets

C#

B

It s a killer kiss under a friendly rain

F#

B

F#

G#

Hear me now sell me joy and pain

B

F#

C#

But at the best price you can

I don t know much more than your first name

But I might stick around till I know everything

Because who we could be remains to be seen

Is it the joke now or the dream

And I like the new beginning the slow show and tell

Sometimes I think the expectation is sweeter than the love itself

It s alright I m gonna take my time I m gonna take your mistery

You know it s simple don t you try to ignore take your freedom when
you re given the key

Like a new kiss and I m flying out there

A great kiss and I m crying in the streets

It s a killer kiss under a friendly rain

Hear me now sell me joy and pain

But at the best price you can

Like a new kiss and I m flying out there

A great kiss and I m crying in the streets

It s a killer kiss under a friendly rain

Hear me now sell me joy and pain

Like a new kiss and I m flying out there

A great kiss and I m crying in the streets

It s a killer kiss under a friendly rain

Hear me now sell me joy and pain
