Elisa  
New Kiss from the album Pipes and flowers

INTRO **E F#**

**E F#**  
I don t wanna hear another plastic love song  
**E F#**  
And I don t need no more triviality  
**G#m F#**  
Cause I know there is more  
**E**  
That love could be

**F#**  
**E**  
But you know that s not to say that I know just what I want out of life  
**F#**  
It doesn t mean that I feel hopeful everyday I m alive  
**G#m F# E**  
But when you smiled at me I felt many things  
Like lust and fear and dreams

-Bridge-

**B**  
And though it could hurt I ve gotta try it anyway  
**E**  
When the door is flung wide open you don t stay inside your room all day  
**G#m**  
You go where there s a chance of losing the awful empty lie  
**E F#**  
That it s better not to need anyone than to take the crazy uncertain ride

-Chorus-

**B A**  
And it s a new kiss and I m flying out there  
**E F#**

A great kiss and I m crying in the streets

**B** **A**

It s a killer kiss under a friendly rain

**E** **A** **E** **F#**

Hear me now sell me joy and pain

**A** **E** **B**

But at the best price you can

I don t know much more than your first name

But I might stick around till I know everything

Because who we could be remains to be seen

Is it the joke now or the dream

And I like the new beginning the slow show and tell

Sometimes I think the expectation is sweeter than the love itself

It s alright I m gonna take my time I m gonna take your mistery

You know it s simple don t you try to ignore take your freedom when  
you re given the key

Like a new kiss and I m flying out there

A great kiss and I m crying in the streets

It s a killer kiss under a friendly rain

Hear me now sell me joy and pain

But at the best price you can

Like a new kiss and I m flying out there

A great kiss and I m crying in the streets

It s a killer kiss under a friendly rain

Hear me now sell me joy and pain

Like a new kiss and I m flying out there

A great kiss and I m crying in the streets

It s a killer kiss under a friendly rain

Hear me now sell me joy and pain
