C#m **E**
Stranger you look so different
 A **E**
Some other thoughts fill up your mind
 C#m **E**
And you just made it happen
 A **E**
Got me thinking of you in my life
 F#m **C#m** **F#m**
And now I hope that my wish s not too weak
 C#m **F#m** **G#m**
I hope that my will is enough enough

E **B**
 cause you made it all good for me yeah

You made it all right

You made it just fine

C#m **E**
Stranger can you forgive me
 A **E**
If it sounds like I know you too well
