SWAN

(musica e testo di Elisa Toffoli)

E

F#m

Walking by yourself in the cold, cold winter

A

Wrapped up in your coat like

B

E

Itâ€™s a magic blanket

E

You say no matter where I go

F#m

They all look like strangers

A

You see the world only seems

B

E

The fairytale that it isnâ€™t

F#m

Dream on, dream on

B

E

thereâ€™s nothing wrong

F#m

If you dream on, dream on

B

E

Of being a swan

E

And now youâ€™re looking at the sky

F#m

Talking to your angel

A

Could he turn this dirty street

B

E

Into a flying carpet?

E

F#m

But then you say I am not scared of anything

A

B

E

Such a shy lie silent as a stone that is fallinâ€™ down

F#m

Dream on, dream on

B

E

thereâ€™s nothing wrong

F#m

If you dream on, dream on

B

E

Of being a swan
