**C C C-C# Bb Bb Bb-C#**

Together, here we are, boy and girl walk alone

Together moving like clouds

Together billions the soldiers of love in the dark

**C C C-C# Bb Bb Bb-Ab**

Together until one will see the light

**Eb**

All the way alone, alone, alone, alone

**C C C-C# Bb Bb Bb Ab**

But together we ll always want to be

[chorus]

**Cm**

Do you wanna keep safe and keep control

**Ab F**

and stay rich with your money and decide for it all? (X2)

**C C C-C# Bb Bb Bb-Ab**

Do you?

Together the bullets fly just like birds in the sky

Together we re both paralyzed

Together drop by drop one by one til water falls

If it s a game we re supposed to know we re playing

How come some don t know?

Don t know, don t know, don t know

And together is all they need to be

[chorus]
