D
Banging on my tambarine
G
I didn t think I d make a scene
D **A**
Till everybody joined in the chase

My head was floating in the sky
D **A**
And nothing looked to be out of place

D **G**
I got my head like a cello
D
Melancholy blows, if it goes
G
Keep it mellow, baby
D **G**
Or should I pay attention to the alarm
D **A**
The sirens going off in a police car

D
And I forget
G **Em** **D**
I forget to be cool cool cool
