          Freight Train
(Elizabeth Cotton)
(Chorus)
       C#                              G#7
-  Freight train,  freight train,  going so fast,
-    G#7                           C#
-  Freight train,  freight train,  going so fast.
-    F7                  F#
-  Please dont tell what train Im on
-    C#          G#        C#
-  So they wont know    where Ive gone.

C#                              G#7
Freight train, freight train,  coming round the bend,
G#7                             C#
Freight train, freight train,    gone      again,
F7                              F#
One of these days,  turn that train around
    C#        G#                 C#
And go back to -  -  - o,      my hometown.

(Chorus)

C#                   G#7
One more place I d like to be,
G#7                  C#
One more place I d love to see,
F7                         F#
To watch them Ol Blue Ridge Mountains climb
C#      G#        C#
When I ride Ol Number nine.

(Chorus)

C#                   G#7
When I die Lord, bury me deep
G#7                  C#
Down at the end of Chestnut Street
F7                   F#
Where I can hear Ol Number nine
C#      G#        C#
As she comes on down the line.

(Chorus)
