Intro: Am G Em F

Am G Em F  
Been thinking bout the little thing you said  
Am G Em F  
Doesn't sink in, and you fought above my head  
Am G  
Cause I'm scared, I can't lie  
Em F  
I don't feel the same inside  
Am G Em F  
I can't decide if I have the heart to confess

Am G  
And I don't think I'm ready to go in this heavy  
Em F  
I thought we would take it slow  
Am  
And now you got that feeling  
G  
You say that you mean it  
Em F (Pausa)  
But for me, I just don't know

Am  
Ooh, Ooh, Ooh  
G Em  
I can't see it, I don't feel it  
F Am  
I need to dig a little deeper  
G Em  
I can't say that, I won't say it back  
F  
I need to dig a little deeper

Dig a little deeper  
Am G  
For you, you! For you, you!  
Em  
For you! Ooh, ooh, ooh  
F  
Dig a little deeper  
Am G  
For you, you! For you, you!  
F  
For you!

There ain't no contract  
And I go when I choose to leave  
And I don't want that  
That's not something that I need  
And you know that it takes two  
And I don't feel the same as you  
When I think back oh  
I see now I always knew.

And I don't think I'm ready to go in this heavy  
I thought we would take it slow  
And now you got that feeling  
You say that you mean it  
But for me, I just don't know

Ooh, Ooh, Ooh  
I can't see it, I don't feel it  
I need to dig a little deeper  
I can't say that, I won't say it back  
I need to dig a little deeper

Don't feel it in my soul  
For you, I just don't know  
Ooh, ooh, ooh  
I just don't know  
Don't feel it in my soul  
For you, I just don't know
