

Beautifully Unfinished
Ella Henderson

Em **C**
Sunday, rain drops, clock goes tick tock
G **Em**
I hate myself for staring at the phone
Em **C**
Get all your text, candid raise them
G **Em**
I call you up but I know you re not alone
D **C**
I know that I should not hold on, so why can t I let go?

Em **C** **G** **D**
Cause every time I m with you somehow I forget to breathe
Em **C** **G** **D**
You caught me like a rag doll, now I m dancing on your string
Em **C** **G** **D**
And I keep trying to figure out who you are to me
Em **C** **G**
But maybe all that we were meant to be
D **Em** **C** **G** **D**
Is beautifully unfinished, beautifully unfinished

Em **C**
You left your kiss like a bruise on my lips
G **Em**
Your fingerprints are tattooed on my skin
Em **C**
And hush now, don t cry, build your walls high
G **Em**
And don t you dare come creeping in
D
Cause you re the one that I can t lose
C
You re the one that I can t win

Em **C** **G** **D**
Cause every time I m with you somehow I forget to breathe
Em **C** **G** **D**
You caught me like a rag doll, now I m dancing on your string
Em **C** **G** **D**
And I keep trying to figure out who you are to me
Em **C** **G**
But maybe all that we were meant to be

D **Em** **C** **G** **D**
Is beautifully unfinished, beautifully unfinished

Am **C**
And I hate you, and I love you

G **D**
And I wish you'd go away

Am **C**
And I hate you, and I love you

G **D**
And I wish that you would stay

Em **C** **G** **D**
Cause every time I'm with you somehow I forget to breathe

Em **C** **G** **D**
You caught me like a rag doll, now I'm dancing on your string

Em **C** **G** **D**
And I keep trying to figure out who you are to me

Em **C** **G**
But maybe all that we were meant to be

D **Em** **C** **G** **D**
Is beautifully unfinished, beautifully unfinished
