

Refill

Elle Varner

C G Em D  
I feel like the girl at the bar whoâ€™s been there too long  
Canâ€™t stand up!

C G Em D  
I should be gone but I just canâ€™t get enough, yeah!

C G Em D  
Fumbling, giggling, silly as ever I get like this after one too many

C G Em D  
But right now I ainâ€™t even been drinkin

C G  
He approached me and asked for a minute

Em D  
Which turned into five, then turned into ten

C G Em D  
And right now I donâ€™t know how to say when

C G  
So can I get a refill?

Em D  
Can I get a refill?

C G Em D  
Can I get a re-eeee-fill?

C G  
Yeah, of your time

Em D  
Cause youâ€™re intoxicating my mind

C G  
Feel like a conversational lush

Em D  
Cause I donâ€™t know how much is too much, yeah

C G Em D  
I feel like the girl at the bar whoâ€™s been there too long  
Canâ€™t stand up!

Repeat Chords throughout song :D
