

So Fly

Elle Varner

**F** **A**  
I can't help being depressed  
**Dm**  
When I look down at my chest  
**C** **F**  
Oh yes, my chest it might as well be nonexistent  
**F** **A**  
How can I ever compete With 34 double D's?  
**F** **A**  
And I'm rollin' my eyes  
**Dm**  
When I look down at my thighs  
**C**  
They might as well tape everything that I eat,  
**F**  
to my legs.  
I am too broke for the knife  
**A**  
Too lazy to exercise  
**Dm**  
But if I had hazel eyes  
**C**  
Maybe I could be fly.  
**F**  
If I had no cellulite  
**A**  
Big breasts and pockets real wide  
**Dm**  
Then maybe I  
**C**  
Maybe I, I,  
I could be so fly.  
**F**  
And if I had a small waist  
**A**  
I'd make the boys go insane  
**Dm**  
And maybe I  
**C**  
maybe I, I,  
I could be so fly.  
**F, A, Dm, C**  
So fly [3x]

Now listen  
I ve got a beautiful soul  
But only 4 people know  
They ve known me since I was 10  
Beauty did not matter then.

Now that I m 20 all that matters  
Is sex cars and money  
I ain t got none of the three  
So basically, I am invisible to all of the fellas  
And I sit at home jealous  
There was no golden ticket  
In my chocolate today.

And worst of all  
I m reminded in the cruelest ways  
Of how I don t look and I should look  
And that s why I say...

If I had no cellulite  
Big breasts and pockets real wide  
Then maybe I  
Maybe I, I,  
I could be so fly.  
And if I had a small waist  
I d make the boys go insane  
And maybe I  
Maybe I, I,  
I could be so fly.  
So fly [6x]

**F** **A**  
So basically all I need  
**Dm**  
Is to be everything but me  
Colored contacts

**C**  
Liposuction  
And breast implants

**F** **A**  
Somehow that don t make much sense

**Dm**  
I must be out of my head

**C**  
If I think, that I am governed by material things.

So I decided that I m  
The definition of fly  
And if you want to know why  
I know what money can t buy  
Don t go believing the hype  
There s no runway in the sky

And no way you could be fly  
not if it costs you a dime.

If I had no cellulite  
Big breasts and pockets real wide  
Then maybe I  
Maybe I, I, I  
I could be so fly.  
If I had no cellulite  
the boys go insane  
And maybe I  
Maybe I, I,  
I could be so fly
