

Salamander

ELLEGARDEN

Intro: **Em-C-Em-C**

Verse 1:

Em

there ain t no fear
there ain t no hope
there ain t no right
there ain t no wrong

C

just make it loud
just make it loud
just make it loud
and feel no touch

Em

there ain t no past
there ain t no fate
there ain t no thoughts
there ain t no rules

C

spoken words
broken hearts

Em

instant dreams

Chorus:

C

D

just let it slide, wasting time

G

just keep it going and going

C

D

just let it slide, wasting life

Em

just keep it rolling and rolling

C

D

just make it loud in your room

G

Em

just make it loud, no one cares

C

just let it slide

Verse 2:

Em

there ain t no pain
there ain t no help
there ain t no doubt
there ain t no name

C

just make it fun
just make it fun
just make it fun
carry on

Em

there ain t no hate
there ain t no grace
there ain t no harm
there ain t no truth

C

empty bowls
springer falls

Em

lost and found

Chorus:

C

D

just let it slide, wasting time

G

just keep it going and going

C

D

just let it slide, wasting life

Em

just keep it rolling and rolling

C

D

just make it loud in your room

G

Em

just make it loud, no one cares

C

just let it slide

C

now i hear it snows

D

this year is getting colder

G

how i feel inside

Em

losing my concentration

C

D

now i need more time, somehow i ll make through

G

i just need more time

Chorus:

C

D

just let it slide, wasting time

G

just keep it going and going

C

D

just let it slide, wasting life

Em

just keep it rolling and rolling

C

D

just make it loud in your room

G

Em

just make it loud, no one cares

C

just let it slide, yeah
