**D**  
Who knows he s a man And doesn t have to hesitate  
**E** **A**  
Got no reason To try to make me feel second rate  
  
He don t have to be good looking or smart  
**D**  
And just has to have a good kind honest heart  
**E** **A**  
You know I haven t seen too much of that of late  
  
**A** **D**  
I don t want to a way  
**E** **A**  
I m gonna take my house and move away  
**A** **D**  
I don t want a way  
**E** **A**  
I m gonna take my toys and move away  
  
**A**  
Now madison avenue puts in a word or two  
**D**  
And tells you to go on out and pick up yourself a few  
**E** **A**  
Could be the dog or the neighborhood ding-a-ling  
  
Well you take them all home and try em all on for size  
**D**  
Even put peanut butter into they re eyes  
**E** **A**  
And wiggle and giggle every possible thing  
  
**A** **D**  
I don t want a way  
**E** **A**  
I m gonna take my toys and go away  
**A** **D**  
I don t want to a way  
**E** **A**  
I m gonna take my house and move away

**A**

**E** **A**

Got no reason to try to make me feel second rate

**A** **D**

I don't want a way

**E** **A**

I'm gonna take my toys and go away

**A** **D**

I don't want to a way

**E** **A**

I'm gonna take my house and move away

**A** **D**

I don't want a way

**E** **A**

I'm gonna take my toys and go away

**A** **D**

I don't want to a way

**E** **A**

I'm gonna take my house and move away

**E** **A**

I'm gonna take my house and move away
