

**Anything Could Happen**  
**Ellie Goulding**

CAPO 5

[Chorus]

**F#**

Stripped to the waist  
We fall into the river

**F#**

Cover your eyes  
So you don't know the secret

**F#**

**B**

I've been trying to hide  
We held our breath  
To see our names are written

**B**

**F#**

On the wreck of '86  
That was the year  
I knew the panic was over

**F#**

**B**

Yes since we found out  
Since we found out

[Hook]

**G#m**

That anything could happen  
Anything could happen

**B**

Anything could happen  
Anything could happen

**G#m**

Anything could happen  
Anything could happen

**B**

Anything could

As if we need its palette and we need its colour

But now I ve seen it through

**B**

And now I know the truth

[Hook]

**G#m**

That anything could happen  
Anything could happen

**B**

Anything could happen  
Anything could happen

**G#m**

Anything could happen  
Anything could happen

**B**

Anything could
