Be Mine (feat. Erik Hassle) Ellie Goulding

[Verso 1]

A Bm G

It s a good thing tears never show in the pouring rain

A Bm G

As if a good thing ever could make up for all the pain

A Bm G

There 11 be no last chance to promise to never mess it up again

A Bm G

Just the sweet pain of watching your back as you walk

A Bm G

As I m watching you walk away

A Bm G

As I m watching you walk away

And now you re gone, there s like an echo in my head

Bm G A

And I remember every word you said

[Verso 2]

It s a cruel thing you ll never know all the ways I tried

A Bm G

It s a hard thing, faking a smile when I feel

A Bm G

Like I m falling apart inside

A Bm G A
And now you re gone, there s like an echo in my head
Bm G A
And I remember every word you said

But you never were, and you never will be mine

A But you never were, and you never will be mine

No, you never were, and you never will be mine

[Verso 3]

[Refrão]

A Bm G
For the first time, there is no mercy in your eyes
A Bm G
And the cold wind is hitting my face and you re gone
A Bm G
And you re walking away away
