F

You trembled like you d seen a ghost

And I gave in

F

I lack the things you need the most, you said where have you been

F

You wasted all that sweetness to run and hide

I wonder why

F

I remind you of the days you poured your heart into

But you never tried

Dm

I ve fallen from grace

Took a blow to my face

Bb

I ve loved and I ve lost

C

I ve loved and I ve lost

F Bb Dm

F

Explosions...on the day you wake up

Dm C Am Bb

Needing somebody and you ve learned

F Bb

It s okay to be afraid

F

But it will never be the same

Dm

It will never be the same

F

Dm

You left my soul bleeding in the dark

F

Dm

So you could be king

F

Dm

The rules you set are still untold to me and I

**F** **Dm**  
lost my faith in everything

**Am** **Dm**  
The nights you could cope, your intentions were gold

**F** **Am**  
But the mountains will shake

**C**  
I need to know I can still make

**F Bb Dm** **F**  
Explosions...on the day you wake up  
**Dm C Am Bb**

Needing somebody and you ve learned

**F** **Bb**  
It s okay to be afraid

**F**  
But it will never be the same

**Dm F Gm Bb**

**Dm** **F**  
And as the floods move in

**Gm**  
And your body starts to sink

**Bb**  
I was the last thing on your mind

**Dm**  
I know you better than you think

**C** **Gm**  
Cause it s simple darling, I gave you a warning

**Bb** **Dm**  
Now everything you own is falling from the sky in pieces

**F** **Gm**  
So watch them fall with you, in slow motion

**Bb**  
I pray that you will find peace of mind

**Dm**  
And I ll find you another time

**C** **Gm**  
I ll love you, another time

**F Bb Dm** **F**  
Explosions...on the day you wake up  
**Dm C Am Bb**

Needing somebody and you ve learned

**F** **Bb**  
It s okay to be afraid

**F**  
But it will never be the same
