F#

You trembled like you d seen a ghost

And I gave in

F#

I lack the things you need the most, you said where have you been

F#

You wasted all that sweetness to run and hide

I wonder why

F#

I remind you of the days you poured your heart into

But you never tried

Ebm

I ve fallen from grace

Took a blow to my face

B

I ve loved and I ve lost

C#

I ve loved and I ve lost

F# B Ebm

F#

Explosions...on the day you wake up

Ebm C# Bbm B

Needing somebody and you ve learned

F# B

It s okay to be afraid

F#

But it will never be the same

Ebm

It will never be the same

F#

Ebm

You left my soul bleeding in the dark

F# Ebm

So you could be king

F#

Ebm

The rules you set are still untold to me and I

F#
lost my faith in everything

Bbm

Ebm

The nights you could cope, your intentions were gold

F#

Bbm

But the mountains will shake

C#

I need to know I can still make

F# B Ebm **F#**

Explosions...on the day you wake up

Ebm C# Bbm B

Needing somebody and you ve learned

F# **B**

It s okay to be afraid

F#

But it will never be the same

Ebm F# G#m B

Ebm **F#**

And as the floods move in

G#m

And your body starts to sink

B

I was the last thing on your mind

Ebm

I know you better than you think

C#

G#m

Cause it s simple darling, I gave you a warning

B

Ebm

Now everything you own is falling from the sky in pieces

F#

G#m

So watch them fall with you, in slow motion

B

I pray that you will find peace of mind

Ebm

And I ll find you another time

C# **G#m**

I ll love you, another time

F# B Ebm **F#**

Explosions...on the day you wake up

Ebm C# Bbm B

Needing somebody and you ve learned

F# **B**

It s okay to be afraid

F#

But it will never be the same
