

Human

Ellie Goulding

Isn't completely accurate but sounds about right when played with the song. I might have missed out a few chords or some minors might be majors/ visa versa but

I hope it's helpful :)

Capo on 4th

Am

Human behave yourself,

Em

you have burst at the seams

let it all fall out open your mouth

Am

often I lie wide awake,

Em

think of things I can make

Am

but I don't seem to have the parts to build them

Em

Human I wonder why you're a better make than I could ever build or create,

Am

you know not love or hate

I am so scared of what will kill me in the end for I am not prepared,

Am

I hope I will get the chance to be someone,

C

to be human,

Am

look what we've done,

G

look what we've done

Am

C

Em

I would give my life, to be human

I would give my life, to be human

I would give my life, to be human

I would give my life, to be.

Same as Verse One (**Am**, **Em**)

Human I'm trying to come clean,

I will be a better me,

I will not drink until I'm dead

I'll make the most of it.

I don't know what it's like to be alive,

to say goodbye,
to cry a thousand tears because my ears won't listen

Human I'm trying not to lose my faith in you,
I've sussed out all that I've seen through,
I've sailed an ocean
I am so scared of what I'll look like in the end for I am not prepared,

I hope I will get the chance to be someone
to be human,
look what we've done,
look what we've done

Chorus (same as before)

C **Am**
I used to hear it all so loud,
the sound of my heart breaking.

C **Am**
The truth is waiting to be found,
I trust that I will take it

(**Am**) (C) (**Em**)
I would give my life,
I would give my life,
I would give my life,
I would give my life,
I would give my life, to be
I would give my life, to be
I would give my life, to be
I would give my life, to be (human)
