**F# C#/E Ebm C# x2**

**C#** (F#)  
Stood in the rain and watched you go  
I feel a lump in my throat  
And this is far from joy

**C#** (F#)  
I never seemed to learn  
That high makes things harder  
That high I get from you

| I think it s time to run cause I m seeing stars |             |            |             |           |
| <b>F#</b>                                       |             |            |             |           |
| I m seeing stars - watch me fall apart          |             |            |             |           |

I think of drying all the time  
But I ve got joy to take my side  
Fear is my favorite ride ooh hey hoh
