Someone takes your heart and then says goodbye  
So you say that you ll never love another  
Tired of playing games and that s the reason why

There s a certain feeling, that we both agree  
And it s time that you ve opened up to love  
Cause if you don t ever try, then baby, you may never see

Everything I touch turns to gold, oh sugar

Everything I touch turns to gold, oh sugar  
I ve got the Midas Touch  
Baby, let me touch your body and your soul, whoa

Together you and I were meant to be  
I ll be right beside whenever you need me  
This love we have will never fade away
