1. Time After Time

INTRO AND VERSE

Dm, Am, Dm, C

F, C, F, Am

then **Gm**

Dm, Am, Dm, C

Another day, waking to the same old beat,

F, C, F, Am

Counting doors, walking through the same old street,

Dm, Am, Dm, C

Breathing in, breathing out the same,

F, C, F, Am

Nothings changed, just imitating yesterday,

Dm, Am, Dm, C

Counting down, all the opportunities,

F, C, F, Am

Its down to one, now everything is falling on me,

Dm, Am, Dm, C

Alarm bells, are warning me to do something nes,

F, C, F, Am

Get away, Ive got to get away!!

Gm, F, C

I hear the sound of something new,

Gm, F, C

Give me the keys to unlock you,

[not sure about the chorus]
Time after time,
And nothing has changed,
Day after day,
And we re still the same,
And now I feel,
That im gonna break, cos i just cannot wait,
To repeat yesterday...

Dm, Am, Dm, C
Its just a game where you re the boss and Im just a slave,
F, C, F, Am
You trap me in, and i just play to entertain,
Dm, Am, Dm, C
And nothing more, so make your move and I ll be ok,
F, C, F, Am
I try my best, but all you do is laugh in my face,
Dm, Am, Dm, C
A gun shot..!
F, C, F, Am
Will wake you up in the night,
Dm, Am, Dm, C
You better run, or you will end up seeing the light,
Dm, Am, Dm, C
My heart beat, is warning me to do something new,
F, C, F, Am
Get away, I ve got to get away!

CHORUS

2. Parallel Worlds

VERSE: same as 1st verse

I'm stuck against the wall I can't make a move my heart beat stops and
I'm scared of this time cos I can't make a line
say it once again and it proves to be difficult
I'm feeling nervous but there's nothing that I cannot do
I'm stuck in a dimension where it's hard to breathe and it's still true
I'm losing mind I'm falling someone help me what can I do

PRE-CHORUS:

D F# E A
Trapped in your world where your burning in my mind
D F# C#
You're like a shadow that never hides

11. Last Call To New York City

(strike and hold E major)

It looks like we ve finally had enough

Could handle this til now

There s nothing better in this town.

(pickstroke down high E major strings)

Looking out that open window

(pickstroke down high E major strings)

The air s so cold

(pickstroke down high E major strings)

Does nothing good to me

(pickstroke down high E major strings)

The feeling s all alone

(Pick the strings at this part)

(**C#** Minor)

And I ll stay for a while

(**B** major)

And I miss that fading smile

(**G#** minor)

Cause lately I ve been missing

(**A** major)

(pause)

(**E** major)

(**B** major)

I ll meet you in New York City

(**C#** minor)

(**A** major)

Forget that boy you re coming with me

(**F#**major)(**B** major) (**C** major) (**C#**major) (**F#** major)

Cause every night I have to say goodbye

(A major)

(B major)

Cause every night I have to say goodbye

(*Pickstroke down HIGH E major notes. At this part.)

(E major)

And it doesn't matter if we got no money

(E major)

We'll ditch this life that we've been living for so long

(F# major) (B major)

Now it's gone

(E major)

(F# major) (B major)

Leave behind what we had for a life better where we belong

(G# major)

And I know that in your mind

(F# major)

That you'll leave everything behind

(B major) (C major) (C# minor)

Cause lately I've been missing

(G# major) (F# major)

and hoping for the best week

(A major) (B major)

(This Breakdown bit, uses the same chords as the chorus, but it is strummed in the way that the drums are played. So just strum it to what would come naturally by listening to the song)

You'll be waiting there

you'll be waiting there tonight, tonight

Show me that you care

show me that you care tonight,

You'll be waiting there

you'll be waiting there tonight, tonight, tonight

so thats it!
