**Elliot Minor**

INTRO

**Dm Bb Dm E**

**Dm Bb**  
If we walk right out of our heads  
**F Dm Am**  
Turn our backs on everything we said  
**Bb F C**  
I cannot forget

**Dm Bb**  
If we stay do we surrender  
**F Dm**  
Let s kill some time just getting better  
**Am Bb F C**  
I wanna open eyes today

**Eb Gm**  
Like the sand Iâ€™m covering my tracks  
**Eb Gm**  
Iâ€™m falling I donâ€™t understand  
**Eb Gm**  
Just like the sand Iâ€™m sinking through the cracks  
**Bb C**  
Iâ€™m breathing in the air

**Bb F**  
I think weâ€™ll be alright  
**Dm Am**  
If we turn this back around  
**Bb F C**  
I d hate to see the hourglass run out

**Dm Bb**  
Come with me let s drain the ocean  
**F Dm**  
Let s fill the sea with revolution  
**Am Bb F C**  
Oh weâ€™re running out of time, out of time

**Dm Bb**  
If we stay do we surrender  
**F Dm**  
Let s kill some time just getting better  
**Am Bb F C**  
You alone could take us away

**Bb** **F**

I think weâ€™ll be alright

**Dm** **Am**

If we turn this back around

**Bb** **F** **C**

I d hate to see the hourglass run out

**Bb** **F**

And when we realise

**Dm** **Am**

That we re all out of our minds

**Bb** **F** **C**

It s just our right there s no need to spiral down

**Bb** **F**

I think weâ€™ll be alright

**Dm** **Am**

If we turn this back around

**Bb** **F** **C**

I d hate to see the hourglass run out

**Bb** **F**

And when we realise

**Dm** **Am**

That we re all out of our minds

**Bb** **F** **C**

I d hate for this for this to be all over now
