If thereâ€™s a reason why Iâ€™m here well you better make it clear - come on
Louann

Chorus

Bbm **B**
Some day weâ€™ll laugh together

And relive the past together

You look so good and Iâ€™m so sad

You had no other place else to go so you put on a good show - knock me out
Louann

Can you make an honest stand when youâ€™re living hand to hand - come on

Louann
