Verse 1

**A**                    **E**                                    **Bm**                    **D**  
When a look into your eyes all I see are lies - come on Louann  
**A**                    **E**                                    **Bm**                    **D**  
When you hold on to my hand where you gonna take this man - come on Louann  
**A**                    **E**                                    **Bm**                    **D**  
You know Iâ€™m trying to maintain but your excuses are in vain - come on Louann  
**A**                    **E**                                    **Bm**                    **D**  
If thereâ€™s a reason why Iâ€™m here well you better make it clear - come on  
Louann

Chorus

**C#m**                    **D**  
Some day weâ€™ll laugh together  
**C#m**                    **D**  
And relive the past together  
**Bm**                    **G**  
Ah but tonight Iâ€™m feeling so bad  
**Bm**                    **E**  
You look so good and Iâ€™m so sad

Verse 2

Repeat the same chords as in the 1st verse

**A**                    **E**                                    **Bm**                    **D**  
I could never break your heart and you knew that from the start - didnâ€™t you  
Louann  
**A**                    **E**                                    **Bm**                    **D**  
You had no other place else to go so you put on a good show - knock me out  
Louann  
**A**                    **E**                                    **Bm**                    **D**  
You made me think I was the one you robbed my love without a gun - didnâ€™t you  
Louann  
**A**                    **E**                                    **Bm**                    **D**  
Can you make an honest stand when you youâ€™re living hand to hand - come on

Louann

Chorus

**C#m** **D**  
Some day weâ€™ll laugh together  
**C#m** **D**  
And relive the past together  
**Bm** **G**  
Ah but tonight Iâ€™m feeling so bad  
**Bm** **E**  
You look so good and Iâ€™m so sad

Verse 3

**A** **E** **Bm** **D**  
When youâ€™re lying in your bed and the lights are flashing red - my sweet  
Louann  
**A** **E** **Bm** **D**  
And you drink a cup of tea is that when you think of me - oh Louann  
**A** **E** **Bm** **D**  
One thing Iâ€™ll never understand everywhere you had a tan - come on Louann  
**A** **E** **Bm** **D**  
And if we meet again someday Iâ€™ll just probably say - Hey come on Louann

Chorus

**C#m** **D**  
Some day weâ€™ll laugh together  
**C#m** **D**  
And relive the past together  
**Bm** **G**  
Ah but tonight Iâ€™m feeling so bad  
**Bm** **E**  
You look so good and Iâ€™m so sad
