Feeling lonely Mr. USA
He takes a walk right through the park
And there's a girl, there's an emotional swirl
There's eye contact all right
And like the prophet John Lennon once said
Whatever gets you through the night

I'm feeling all right
Chorus:

Verse:
Some go up and some go down
As the bus goes round and round
                   F#m
Some stay straight as if their fates keep
Both feet right on the ground
                         F#m
Some they live for the women they see
Some they die for the women they miss
Some of these guys they never ever make it home
The Lizard King lies in Parisian concrete
                   E
it's all right
                   Α
I'm feeling all right
```

Chorus:

F#m C#m

And I better write it down
