Verse:

Eb **Fm**
He was lost on some strange street
G# **Eb**
Some strange city lost in the dark
Eb **Fm**

Feeling lonely Mr. USA

He takes a walk right through the park
And there's a girl, there's an emotional swirl
There's eye contact all right
And like the prophet John Lennon once said
Whatever gets you through the night
it's all right
I'm feeling all right

Chorus:

And I better write it down
So I can tell you some more
I'm talking about a Euro-tour

Eb Fm G# (x4)

Verse:

Some go up and some go down
As the bus goes round and round
Some stay straight as if their fates keep
Both feet right on the ground
Some they live for the women they see
Some they die for the women they miss
Some of these guys they never ever make it home
The Lizard King lies in Parisian concrete
it's all right
I'm feeling all right

Chorus:

Fm **Cm**
And I better write it down

Bb
So I can tell you some more
