G D
I let my horses run
Bm Em
I kept my feet on the ground
G D
I didn t make a sound
Bm Em
My time was running out
G A
And I had my doubts

G D A
We were gone gone gone
 G D A
I feel so gone gone gone
 G D A
I think I m gone gone gone
 Em
Well If that s what you want
G D
My sweet Mary-Anne
Bm Em
Yeah, if that s what you want
G D
I won t mak a stand
Bm Em
And if that s what you need
G A
Then baby I m your man

G D A
We were gone gone gone
 G D A
I feel so gone gone gone
 G D A
I think I m gone gone gone
 Em

You know, I was right there

G **D**

I was waiting on a train

Bm **Em**

I got my feet in the air

G **D**

Suitcase full of pain

Bm **Em**

My time was running out

G **A**

I couldn't see you again

A

Well, you're looking for God's grace

A

For something to believe in

A

You've got the soul of a torturer

A

How great it should be

A

Some say the simple truth

A

Something set you free

A

From a whole set of lies to infinity

G **D** **A**

We were gone gone gone

G **D** **A**

I feel so gone gone gone

G **D** **A**

I think I'm gone gone gone
