Gone Gone Gone - Elliott Murphy

-----

**A E B**

We were gone gone gone

**A E B**

I feel so gone gone gone

**A E B**

I think I m gone gone gone

**F#m**

Well, in the eye of the sun

**A E**

I let my horses run

**C#m F#m**

I kept my feet on the ground

**A E**

I didn t make a sound

**C#m F#m**

My time was running out

**A B**

And I had my doubts

**A E B**

We were gone gone gone

**A E B**

I feel so gone gone gone

**A E B**

I think I m gone gone gone

**F#m**

Well If that s what you want

**A E**

My sweet Mary-Anne

**C#m F#m**

Yeah, if that s what you want

**A E**

I won t mak a stand

**C#m F#m**

And if that s what you need

**A B**

Then baby I m your man

**A E B**

We were gone gone gone

**A E B**

I feel so gone gone gone

**A E B**

I think I m gone gone gone

**F#m**

You know, I was right there

**A** **E**

I was waiting on a train

**C#m** **F#m**

I got my feet in the air

**A** **E**

Suitcase full of pain

**C#m** **F#m**

My time was running out

**A** **B**

I couldn't see you again

**B**

Well, you're looking for God's grace

**B**

For something to believe in

**B**

You've got the soul of a torturer

**B**

How great it should be

**B**

Some say the simple truth

**B**

Something set you free

**B**

From a whole set of lies to infinity

**A** **E** **B**

We were gone gone gone

**A** **E** **B**

I feel so gone gone gone

**A** **E** **B**

I think I'm gone gone gone
