E5 **Bsus4**

Ophelia, Iâ€™m at your window

Asus2 **F#m**

And how beautiful you are

E5 **Bsus4**

Your eyes reflect the moonlight

Asus2 **F#m**

And shine into the dark

G#m **F#m**

Iâ€™m so close that I could touch you

G#m **A**

But youâ€™re so fragile you might fall apart

E **G#m(2)**

And imagine for a minute

C#m **B**

That you are loved

A

Because you really are

E5 **Bsus4**

Ophelia, the sun is rising

Asus2 **F#m**

Oh and I know how you love the dawn

E5 **Bsus4**

You love the newness, you love the freshness

Asus2 **F#m**

You love the feeling that you belong

G#m **F#m**
To the cycle of the changes
G#m **A**
That reoccur in Nature's songs

E **G#m(2)**
And image for a minute
C#m **B**
That you are loved
A
Because you really are

E5 **Bsus4**
Ophelia, come to the river
Asus2 **F#m**
And let us swim under the stars
E5 **Bsus4**
Let the moonbeams caress your worries
Asus2 **F#m**
And let the current take them far
G#m **F#m**
Can we face the pain of living
G#m **A**
Or have we got no more tears to cry?

E **G#m(2)**
And imagine for a minute
C#m **B**
That you are loved
A
Because you really are
F#m Asus4 E(2)
And I'm floating away
F#m Asus4 B
And I'm floating away

E5 **Bsus4**
Ophelia, this room is smoky
Asus2 **F#m**
Let's escape to the cool outside
E5 **Bsus4**
Let's take a walk to the all-night grocery
Asus2 **F#m**
There must be something you want to buy
G#m **F#m**
How about some cookies, how about a yoghurt
G#m **A**
How about a kiss in the neon aisles?

E **G#m(2)**
And imagine for a minute
C#m **B**
That you are loved
A
Because you really are

E5 **Bsus4**
Ophelia, I always knew you
Asus2 **F#m**
Even before you were wearing a shroud
E5 **Bsus4**
When you were touring with your magician
Asus2 **F#m**
In Acapulco and talking so loud
G#m **F#m**
And still there was something so special
G#m **A**
About your green eyes and crooked smile

E **G#m(2)**
And imagine for a minute
C#m **B**
That you are loved
A
Because you really are

E5 **Bsus4**
Ophelia, I was such a loser
Asus2 **F#m**
And I was hanging with a desperate crowd
E5 **Bsus4**
And I found you or you found me
Asus2 **F#m**
Oh anyway it doesn't matter now
G#m **F#m**
So come on let's go to the theatre
G#m **A**
Let's play Hamlet one more time

E **G#m(2)**
And imagine for a minute
C#m **B**
That you are loved
E **G#m(2)**
And imagine for a minute
C#m **B**
That you are loved
E **G#m(2)**

And just imagine for a minute

C#m B

That you are loved

A

Because, Ophelia, you really are
