

The Day After Valentines Day
Elliott Murphy

The Day After Valentine's Day © Elliott Murphy

Intro : **F** | **Bb** | **Gm** | **Bb**

Verse:

F **Bb**
There were paper roses all down the street
Gm **Bb**
I crushed em under my feet as I walked on
F **Bb**
To another life that maybe I wouldn't face alone
Gm **Bb**
But now I'm on my own - so far gone

Chorus:

Eb Bb F
It's the day after Valentine's Day
Eb Bb F
There's nothing left that's gonna help me ease the pain
Eb Bb F
All my cards are gone but my broken heart remains
Eb Bb F (A)
Everything changed the day after Valentine's Day

Verse:

F **Bb**
She said if I start kissing you I may never stop
Gm **Bb**
But what we got didn't mean that much
F
Except this memory that keeps haunting me
Bb
And takes me back in time
Gm
Before you left me behind
Bb
When love was mine

Chorus:

Eb Bb F
It's the day after Valentine's Day
Eb Bb F
There's nothing left that's gonna help me ease the pain
