The Day After Valentine's Day " Elliott Murphy

-----  
Intro : **F#** | **B** | **G#m** | **B**

Verse:

**F#** **B**  
There were paper roses all down the street  
**G#m** **B**  
I crushed em under my feet as I walked on  
**F#** **B**  
To another life that maybe I wouldn t face alone  
**G#m** **B**  
But now I m on my own - so far gone

Chorus:

**E B F#**  
It's the day after Valentine s Day  
**E B F#**  
There s nothing left that s gonna help me ease the pain  
**E B F#**  
All my cards are gone but my broken heart remains  
**E B F#** (A)  
Everything changed the day after Valentine s Day

Verse:

**F#** **B**  
She said if I start kissing you I may never stop  
**G#m** **B**  
But what we got didn t mean that much  
**F#**  
Except this memory that keeps haunting me  
**B**  
And takes me back in time  
**G#m**  
Before you left me behind  
**B**  
When love was mine

Chorus:

**E B F#**  
It's the day after Valentine s Day  
**E B F#**  
There s nothing left that s gonna help me ease the pain

**E**                    **B**                    **F#**  
All my cards are gone but my broken heart remains  
**E**                    **B**                    **F#**                    (A)  
Everything changed the day after Valentine s Day

**E** **B**                    **F#**  
Itâ€™s the day after Valentine s Day  
**E**                    **B**                    **F#**  
There s nothing left that s gonna help me ease the pain  
**E**                    **B**                    **F#**  
All my cards are gone but my broken heart remains  
**E**                    **B**                    **F#**                    (A)  
Everything changed the day after Valentine s Day

**E**                    **B**                    **F#**  
Cause everything changed the day after Valentine s Day  
**E**                    **B**                    **F#**  
Yeah everything changed the day after Valentine s Day
