Intro: **E** **A** **E** **E**

E **A**

Let us cross over the river

E

Let us rest in the shade of the trees

E **A**

Let us gaze on to eachother

E

Let us fall upon our knees

C#m **A**

Let us kiss the longest kiss

E **B**

That would last a thousand years

E **A**

A century, A lifetime

E

And my love would still be here

E **A** **E** **E**

E **A**

And I trembled at your closelets

E

In the emptiness that lies above

E **A**

And in some way I feel protected

E

From this life by your love

C#m **A**

So let us stop all this motion

E **B**

And let us stand forever still

E **A**

With our arms around eachother

E

And our soul wrapped in our will

E **A** **E** **E**

D **Bm**

Locked inside a wall

A **E**
And then the rain, it come to call
D **Bm**
Now youâ€™re locked inside my mind
A **B**
And youâ€™ll be there all the time
