Intro: **F** **Bb** **F** **F**

F **Bb**
Let us cross over the river

F
Let us rest in the shade of the trees

F **Bb**
Let us gaze on to eachother

F
Let us fall upon our knees

Dm **Bb**
Let us kiss the longest kiss

F **C**
That would last a thousand years

F **Bb**
A century, A lifetime

F
And my love would still be here

F **Bb** **F** **F**

F **Bb**
And I trembled at your closelets

F
In the emptiness that lies above

F **Bb**
And in some way I feel protected

F
From this life by your love

Dm **Bb**
So let us stop all this motion

F **C**
And let us stand forever still

F **Bb**
With our arms around eachother

F
And our soul wrapped in our will

F **Bb** **F** **F**

Eb **Cm**
Locked inside a wall

Bb **F**
And then the rain, it come to call
Eb **Cm**
Now youâ€™re locked inside my mind
Bb **C**
And youâ€™ll be there all the time

F **Bb**
Let us cross over the river
F
Let us rest in the shade of the trees
F **Bb**
Let us gaze on to each other
F
Let us fall upon our knees

Dm **Bb**
Let us kiss the longest kiss
F **C**
That would last a thousand years
F **Bb**
A century, A lifetime
F
And my love would still be here
