Intro: **Eb** **G#** **Eb** **Eb**

Eb **G#**
Let us cross over the river
Eb
Let us rest in the shade of the trees
Eb **G#**
Let us gaze on to eachother
Eb
Let us fall upon our knees

Cm **G#**
Let us kiss the longest kiss
Eb **Bb**
That would last a thousand years
Eb **G#**
A century, A lifetime
Eb
And my love would still be here

Eb **G#** **Eb** **Eb**

Eb **G#**
And I trembled at your closelets
Eb
In the emptiness that lies above
Eb **G#**
And in some way I feel protected
Eb
From this life by your love

Cm **G#**
So let us stop all this motion
Eb **Bb**
And let us stand forever still
Eb **G#**
With our arms around eachother
Eb
And our soul wrapped in our will

Eb **G#** **Eb** **Eb**

C# **Bbm**
Locked inside a wall

G# **Eb**
And then the rain, it come to call
C# **Bbm**
Now youâ€™re locked inside my mind
G# **Bb**
And youâ€™ll be there all the time

Eb **G#**
