Verse:

**Dm** **Am**  
There may be darkness in the distance  
**Dm** **Am**  
There may be gold mines up ahead  
**Dm** **Am**  
Iâ€™m asking you to be witness  
**G** **F**  
Not my judge just my friend

Chorus:

**C/G** **F** **C/G** **F**  
And everything, that love can bring  
**Em** **G**  
Will be yours with this ring

Verse:

**Dm** **Am**  
I need your smile in the morning  
**Dm** **Am**  
I need your warm kiss at night  
**Dm** **Am**  
So when Iâ€™m spinning in the darkness  
**G** **F**  
Your love shines so bright

Chorus:

**C/G** **F** **C/G** **F**  
And everything, that love can bring  
**Em** **G**  
Will be yours with this ring

Bridge:

**Bb** **Dm** **C** **G**  
Nobodyâ€™s impressed by nothing nowadays  
**Bb** **Dm** **G**  
But I impressed by your secret ways

Verse:

**Dm**                      **Am**  
There may be dark clouds in the distance  
**Dm**                      **Am**  
There may be gold mines up ahead  
**Dm**                      **Am**  
Come on my lover be my witness  
**G**                      **F**  
as the sky turns yellow blue and red

Chorus:

**C/G**              **F**              **C/G**              **F**  
And everything, that love can bring  
**Em**                      **G**  
Will be yours with this ring  
**C/G**              **F**              **C/G**              **F**  
And everything, that love can bring  
**Em**                      **G**  
Will be yours with this ring
