You Never Know What You're In For " Elliott Murphy

-----

Verse:

**Bb** **F**  
Getting late they were spaced just a trace  
**Gm** **Eb**  
Of the old coming down  
**Bb** **F**  
Ancient fun one and one he said someday  
**Gm** **Eb**  
We ll leave this town

But magazines glamour scenes in betweens  
**Gm** **Eb**  
Had him nailed to the ground  
**Bb** **F**  
And the sounds still waiting to be found

Chorus:

**Gm** **Dm** **Eb** **Bb** **Bb F Gm**  
And we are all junkies, pushers, pimps and hookers  
**Gm** **F** **Eb**  
You never know what you re in for  
**Gm** **Dm**  
And you can shake it, try to forsake it
