Some Song
Elliott Smith

(**G5**)

C5   G5   C5
It s a junkie dream makes you so uptight
                  G5   C5
Yeah it s halloween tonight and every night
                        G5
Hear you scratch your skin
                  C5
Your sandpaper throat
                    G5   C5
You re a symphony, man, with one fucking note
                  G5   C5
How they beat you up week after week
                  G5   C5
And when you grow up you re going to be a freak
                  G5   B5   F5
Want a violent girl who s not scared of anything

(**Bb5**   **F5**   **G5**)

      Eb5   Bb5
Help me kill my time

(**F5**   **G5**)

        Eb5   Bb5
Cos i ll never be fine

      Eb5   Bb5
Help me kill my time

(**F5**   **G5**)

(**C5**)

                  G5   C5
You went down to look at old dallas town
                        G5   C5
Where you must be sick just to hang around
            G5   C5
Seen it on tv how to kill your man
                  G5   C5
Then like gacy s scene a canvas in your hand
                        G5   C5
You better call your mom she s out looking for you
                        G5   C5

In the jail and the army and the hospital too
```
                    G5      B5            F5
```
But those people there couldn t do anything for you

(**Bb5 F5 G5**)

```
        Eb5       Bb5
```
Help me kill my time

(**F5 G5**)

```
          Eb5       B5
```
Cos i ll never be fine

(**F5 G5**)

```
        Eb5       Bb5
```
Help me kill my time

(**F5 G5**)

```
        Eb5       Bb5
```
Help me kill my time

(**F5 G5**)

```
        Eb5       Bb5
```
Help me kill my time

(**F5 G5**)

```
          Eb5        Bb5
```
Cos i ll never be fine

(**F5 G5**)

```
        Eb5       Bb5
```
Help me kill my time

(**F5 G5 Eb5 A5 Bb5**)
