Intro: **Em*** - **D*** - **C*** - **A7**

 Vs1
   C*   **C#**/**D**   **C***   **G***
   Everything is exactly right when I
   C*   **C#**/**D**   **C***   **G**
   Walk around here drunk every night
              Em   **F#**   **C#**/**D**   **C***
   With an open container from Seven Eleven
      C#/**D**   **C**&
   In St. Ides Heaven

 Vs2
   I been out haunting the neighborhood
   And everybody can see I m no good
   When I m walking out between parked cars
           C#/**D**   **A7**
   With my head full of stars

 Chorus
   C   **D**   **Em** **G**
   High on amphetamines
                   C   **D**   **Em** **G**
   The moon is a light bulb breaking
            C   **D**   **Em** **G**
   It ll go around with anyone
                     C   **D**   **Em** **G**
   But it won t come down for anyone

   [Solo - Just the Chords Essentially]

 Vs3
   You think you know what brings me down
   That I want those things you could never allow
   You see me smiling you think it s a frown
   Turned upside down

 Vs4
   Cause everyone is a fucking pro
   And they all got answers from trouble they ve known
   And they all gotta say what they should and shouldn t do

Though they don t have a clue

   Chorus
     C   **D**   **Em** **G**
     High on amphetamines
                     C   **D**   **Em** **G**
     The moon is a light bulb breaking
                  C   **D**   **Em** **G**
     It ll go around with anyone
                        C   **D**   **Em** **G**
     But it won t come down for anyone
     But it won t come down for anyone
     And I won t come down for anyone

Outro- **C** - **A7** - **C**
