Was a parliament of owls

Flying over the city of canals

Floating on the body

Floating in the dalles

You get what you see

Some things they just change invisibly

Don t know where I m going

Don t even wanna know

I know my face, I hate my place

I know how I began and how I ll end

Strung out again

Am **E** **G** **D/F#**

Standing, smiling on some fantasy island

F **C** **G/B** **A**

Looking at my lost reflection again

E **F** **G** **F**
But a tides coming in and I m strung out again
G **A**
Strung out again

There it is! Learn it and love it.
