

**You Say**

**Elliott Yamin**

[Intro] **C#m A E B**

[Verse 1] **C#m A E B**

Maybe it was wrong to say Nothing as you walked away

Baby I know you ve been confused Telling me that it s too late

**A B C#m A**

I thought you say goodbye for good But you re still here with me

**A B B7**

How do we get so misunderstood

[Chorus] **C#m A E B**

Cause you say You ain t got time for me Actions speak louder of every word

You try to say You ve rather be all by yourself

**A C#m E B**

Oh but I can see the way The way you look at me And baby I don t believe

**C#m A E B**

Believe what you say You say you say

[Verse 2] **C#m A E B**

You know that is cool to look Look the way you do tonight

Girl you know I m onto you Cause something just don t act up right

**A B C#m A**

No I thought you said you felt unsure Oh but hearts don t lie

**A B B7**

Cause now you re back at my front door

[Bridge]

**A B C#m A**

You thought I didn t care I thought you wouldn t stay (I hope we can go  
further from on this day)

**A B**

Let s start over again We don t have to pretend

**C#m A E B**

That it s over it s over

[Ending] **C#m A E B**

Maybe I was wrong to say

Nothing as you walked away
