

You Say

Elliott Yamin

[Intro] **Bm G D A**

[Verse 1] **Bm G D A**

Maybe it was wrong to say Nothing as you walked away

Baby I know you ve been confused Telling me that it s too late

G A Bm G

I thought you say goodbye for good But you re still here with me

G A A7

How do we get so misunderstood

[Chorus] **Bm G D A**

Cause you say You ain t got time for me Actions speak louder of every word

You try to say You ve rather be all by yourself

G Bm D A

Oh but I can see the way The way you look at me And baby I don t believe

Bm G D A

Believe what you say You say you say

[Verse 2] **Bm G D A**

You know that is cool to look Look the way you do tonight

Girl you know I m onto you Cause something just don t act up right

G A Bm G

No I thought you said you felt unsure Oh but hearts don t lie

G A A7

Cause now you re back at my front door

[Bridge]

G A Bm G

You thought I didn t care I thought you wouldn t stay (I hope we can go
further from on this day)

G A

Let s start over again We don t have to pretend

Bm G D A

That it s over it s over

[Ending] **Bm G D A**

Maybe I was wrong to say

Nothing as you walked away
