Ellis Paul - Sweet Mistakes

Intro

**Am C G F** - Arpeggio

**Am C**

Pop the cork, a champagne glass

**G F**

Raise to the future, drink to the past

**Am C**

Thank the Lord for the friends he cast,

**G F**

In the play he wrote for you.

**Am C**

And if you love the girl man, light up a torch

**G F**

Blaze a trail to her front porch

**Am C**

Kiss her till your lips are scorched

**G F**

Til the rain comes down on you

Chorus

**Am C**

Bless your sweet mistakes,

**G F**

That crumble you down to your knees.

**Am C**

That brought you to this place

**G**

Changing you by degrees...

No Chord F

When change was just what you needed...

**F**

What you needed...

Arpeggio **Am C G F**

**Am**

**C**

So if you live your life in a three piece suit,

**G**

**F**

In a cocktail dress, or combat boots

**Am C**

You pick your path and you walk your truth

**G**

**F**

And the world will come round to you.

**Am**

**C**

It s a long strange ride, I can t tell you why

**G**

**F**

But there s a place in your pocket where peace can abide

**Am C**

You pull it out, it s a compass, a guide

**G**

**F**

And it will put a little soul on you.

Chorus

**Am C G F**

Continue with **Am C G F**

And in this wild blue world

There is a soul weavin fine feelin girl

But you ve got to walk in paradise to find a pearl

If you only believe,

You ll get what you need... what you needed...

**Am C G F**

Conquer your fear and you ll master the game,

Life is always and never the same.

Use a little faith to light the flame ,

And I know you ll connect to you.

Chorus

**Am C G F**

**Am C G F**

Pop the cork, a champagne glass

Raise to the future, drink to the past

Thank the Lord for the friends he cast,

In the play he wrote for you.
