That s the only way that I know how to live

It was a nightmare
No tongue can tell
How the streets of New York city
Looked just like the gates of Hell
In a flash
The smoke and the ash
Came falling down like rain

But they circled wagons
They gathered round
As they bravely pulled their brothers
And their sisters from the ground
And I know
That I owe them more
Than to be afraid

So I m gonna love
I m gonna believe
I m still gonna dream
I m gonna roll up my sleeves
Give everything until I ve nothing left to give
That s the only way that I know how to live

Why seek vengeance?
What comes of war?
I know freedom has a price
But it doesn t keep score
It s too much to swallow
It s left me hollow
After all this time

I won t tell you
What to believe
Cause I m too young to be so cynical
And too old to be nave
But if every action
Breeds a reaction
Let this be mine

So I m gonna love
I m gonna believe
I m still gonna dream
I m gonna roll up my sleeves
Give everything until I ve nothing left to give
That s the only way that I know how to live
