I'm knocking on your door but you're hiding the key

Riff

When I'm lonely at night

Ohhhhhhhhhhhh

I wish you were sleeping so tight by my side

My nights turn to white

Ohhhhhhhhhhhh

And you stay on your cloud and you hide in your pride

Chorus

I am singing this song

Ohhhhhhhhhhhhh

And hope I won't think that what I did was wrong

I've waited so long

Ohhhhhhhhhhhhh

And hope you would take me to where I belong
